

Disclaimer and Copyright Notice

BEETRON SA

Disclaimer

The information provided on this website has been prepared with the greatest possible care by BEETRON SA and is regularly reviewed and updated. However, BEETRON SA makes no representations or warranties, express or implied, regarding the accuracy, completeness, reliability, or suitability of the information provided for any particular purpose.

The use of this website and its contents is at the user's own risk. To the fullest extent permitted by applicable law, BEETRON SA shall not be liable for any direct, indirect, incidental, consequential, or special damages, including loss of profits or business interruption, arising out of or in connection with access to, use of, or inability to use this website or the information contained herein. BEETRON SA reserves the right to modify, update, supplement, or remove any content on this website at any time without prior notice.

External Links

This website may contain links to third-party websites. BEETRON SA has no control over the content, availability, or privacy practices of such websites and accepts no responsibility or liability for them. Responsibility for the content of linked websites rests solely with their respective operators.

Intellectual Property and Copyright

All content published on this website, including but not limited to text, photographs, images, renderings, graphics, illustrations, logos, videos, animations, technical drawings, diagrams, software, and the overall design and layout of the website, is protected by copyright, trademark, and other applicable intellectual property laws.

Unless otherwise stated, all intellectual property rights and usage rights are owned by BEETRON SA or are used under valid license agreements.

All images, renderings, visualizations, product illustrations, engineering drawings, and technical graphics displayed on this website are the property of BEETRON SA or are used with the permission of their respective rights holders. Any reproduction, modification, distribution, publication, transmission, or other use, whether in whole or in part, without the prior written consent of BEETRON SA is strictly prohibited.

This protection includes, but is not limited to:

- Product images and renderings
- Prototype and component photographs
- Technical drawings and CAD illustrations
- Engineering diagrams and infographics
- Logos, trademarks, and corporate identity elements
- Presentation materials, brochures, animations, and videos

Downloading or printing individual pages is permitted solely for personal, non-commercial use. Such use does not transfer or grant any ownership, intellectual property, or licensing rights.

Trademarks

BEETRON®, the BEETRON logo, and all product names, project names, and associated branding elements are trademarks or protected identifiers of BEETRON SA, unless otherwise indicated. Unauthorized use of these trademarks is prohibited.

Any third-party trademarks, product names, or company names mentioned on this website remain the property of their respective owners.

Confidential Information

The information provided on this website is intended solely for general informational purposes. Nothing contained herein shall be construed as granting, by implication or otherwise, any license or right to use any patent, technology, know-how, trade secret, or other intellectual property owned by BEETRON SA.

Changes

BEETRON SA reserves the right to amend or update this Disclaimer and Copyright Notice at any time without prior notice. The version published on this website at the time of access shall apply.
